PETITION TO COMMISSIONER UNDER 35 U.S.C. § 1.183

Sir:

The undersigned attorneys hereby petition that the undersigned attorneys' petition to withdraw as attorney, which was not approved, be granted under CFR § 1.183, or in the alternative that the outstanding office action be withdrawn and reissued, and then the undersigned attorney's Request for Withdrawal be granted.

The facts of the case are as follows:

CERTIFICATE OF TRANSMISSION

I hereby certify that this correspondence is being sent via Express Mail (Label # EQ 497905816 US) to Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, Group Art Unit 3728 on February 9, 2006.

James David Jacobs (Reg. No. 24,299)

NYCDMS/985107.1

1. On April 27, 2005, the representatives of SODO Design Limited, Alderson Dodds, sent the undersigned a copy of the assignment of rights to the above patent application from Rickard Shah to SODO Design Limited and instructed the undersigned attorneys to forward all papers relating to the above noted patent application to their agent. (Exhibit A)

2. On June 6, 2005, the applicant advised us that all applicant's patents have been assigned to SODO Design Limited, and that all patent paperwork related to any applicant's patents be forwarded to SODO Design Limited. (Exhibit B)

3. On August 9, 2005 an office action was issued and mailed from the USPTO and received by the undersigned attorney on August 12, 2005. (Exhibit C)

4. On August 24, 2005 a copy of the aforementioned office action was sent to the applicant. (Exhibit D)

5. On August 26, 2005, a Request for Withdrawal as Attorney or Agent and Change of Correspondence Address was submitted to the USPTO. (Exhibit E)

6. On August 26, 2005, a copy of the Request for Withdrawal as Attorney or Agent and Change of Correspondence Address was sent to the applicant. (Exhibit F)

7. On January 13, 2006 the Office of Petitions issued a decision on the request to withdraw as attorney. The decision, almost 5 months after the undersigned attorneys filed in the USPTO the Request for Withdrawal, denied the Request because the decision was rendered less than 30 days before the expiration date of the time to file a response. (Exhibit G)

8. On January 26, 2006, the undersigned attorney's office contacted the Office of Petitions and Irvin Dingle informed us that the Office of Petitions had just received the paperwork which was transferred from the Technology Center.

Although the undersigned attorney timely requested to withdraw as attorneys, because of Patent Office error in unduly delaying consideration of the Request, the Patent Office denied the Request. In order for the application to not go abandoned, the undersigned attorney, on behalf of the applicant, must respond to the office action dated August 9, 2005. However, the undersigned attorney cannot respond, as the applicant is no longer a client of the undersigned attorney and accordingly has not given instructions to the undersigned attorney. The undersigned attorney has no authority to respond to the Office Action and, indeed, legally and ethically cannot do so.

From the above facts, and in accordance with CFR § 1.183, the undersigned attorney respectfully requests that the undersigned attorney's Request for Withdrawal be granted or, in the

alternative, the office action dated August 9, 2005 be withdrawn and reissued, and the undersigned attorney's Request for Withdrawal as Attorney or Agent and Change of Correspondence Address be accepted. As stated in CFR § 1.183, this is an extraordinary situation, through no fault of the undersigned attorney nor the applicant, in which it is reasonable that the rules surrounding the non-acceptance of the Request for Withdrawal as Attorney be suspended. By reissuing the Office Action, the Request to Withdraw will be granted more than 30 days before the time to file a response to the newly reissued Office Action.

The Commissioner for Patents is hereby authorized to charge the fee set forth in § 1.17(f) to Deposit Account No. 02-0393 of Baker & McKenzie LLP.

Dated: February 9, 2006

DETAILED ACTION

Specification

1. Applicant is reminded of the proper language and format for an abstract of the disclosure.

The abstract should be in narrative form and generally limited to a single paragraph on a separate sheet within the range of 50 to 150 words. It is important that the abstract not exceed 150 words in length since the space provided for the abstract on the computer tape used by the printer is limited. The form and legal phraseology often used in patent claims, such as "means", **comprising** and "said," should be avoided. The abstract should describe the disclosure sufficiently to assist readers in deciding whether there is a need for consulting the full patent text for details.

The language should be clear and concise and should not repeat information given in the title. It should avoid using phrases which can be implied, such as, "The disclosure concerns," "The disclosure defined by this invention," "The disclosure describes," etc.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) The invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1-37 rejected under 35 U.S.C. 102(b) as being clearly anticipated by White et al. (5,339,252).
4. Claims 1-37 rejected under 35 U.S.C. 102(b) as being clearly anticipated by Dunham et al. (3,696,456).
5. Claims 1-37 rejected under 35 U.S.C. 102(b) as being clearly anticipated by Marshall (6,042,759).

Art Unit: 3728

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Shown are method for developing lasts and shoe analogous to applicant's instant invention.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jila M. Mohandesi whose telephone number is (571) 272-4558. The examiner can normally be reached on Monday-Friday 7:30-4:00 (EST).

Shipping Label: Your shipment is complete This shipping label constitutes the air waybill for this shipment.

1. Use the "Print" feature from your browser to send this page to your laser or inkjet printer. Fold the printed page along the horizontal line.

2. Place 2 originals of the shipping label in the pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional charges, along with the cancellation of your FedEx account number.

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. **AIR CARRIAGE NOTICE.** For any international shipments by air, the Warsaw Convention, as amended, may be applicable. The Warsaw Convention, as amended, will then govern and in most cases limit FedEx's liability for loss, delay of, or damage to your shipment. The Warsaw Convention, as amended, limits FedEx's liability. For example in the U.S. liability is limited to \$9.07 per pound (20\$ per kilogram), unless a higher value for carriage is declared as described below and you pay any applicable supplementary charges. The interpretation and operation of the Warsaw Convention's liability limits may vary in each country. There are no specific stopping places which are agreed to and FedEx reserves the right to route the shipment in any way FedEx deems appropriate. **ROAD TRANSPORT NOTICE.** Shipments transported solely by road to or from a country which is a party to the Warsaw Convention or the Contract for the International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provision of this Air Waybill to the contrary. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. **LIMITATION OF LIABILITY.** If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or all-risk insurance, but you may have an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. **LIABILITIES NOT ASSUMED.** IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, perils of the air, weather conditions, mechanical delays, acts of public enemies, war, strike civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. **NO WARRANTY.** We make no warranties, express or implied. **CLAIMS FOR LOSS, DAMAGE OR DELAY.** ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS. The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping carton and packing must be made available to us for inspection. **MANDATORY LAW.** Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill. Unless otherwise indicated, **FEDERAL EXPRESS CORPORATION**, 2005 Corporate Avenue, Memphis, TN 38132, USA, is the first carrier of this shipment. Email address located at www.fedex.com.

The request is **NOT APPROVED**.

A grantable request to withdraw as attorney/agent of record must be signed by every attorney/agent seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others. A request to withdraw will not be approved unless at least 30 (thirty) days would remain between the date of approval and the later of the expiration date of a time to file a response or the expiration date of the maximum time period which can be extended under 37 C.F.R. § 1.136(a).

The request cannot be approved because there remain less than 30 (thirty days) between the date of this decision and the maximum extendable time period for filing a response to the Office action mailed on August 9, 2005.

All future communications from the Office will continue to be directed to the above-listed address until otherwise notified by applicant.

Telephone inquiries concerning this decision should be directed to Irvin Dingle at 571-272-3210.
